ErgoDeck MAX Diamond-Plate
Group 599

NFSI ☑
HIGH-TRACTION

Gone are the days of having to choose between comfort and customization. Introducing a modular tile that takes flexibility, performance, and safety to the max - ErgoDeck MAX. ErgoDeck Max with LockSafe technology holds secure but can be taken apart and reconnected on demand. This revolutionary product utilizes a universal edging system for simple configuration and installation. Each section features counter-sunk holes for semi-permanent installations and traction bars for added slip prevention. ErgoDeck Max carries a Limited-Lifetime Warranty.
10% cost savings over customized matting.
Save saves hundreds, if not thousands of dollars on mat replacement, labor, and downtime by replacing tiles, not an entire mat.

- ◦ U.S. PATENT NO. 10,914,081; 11,174,648; D502,557; D520,650
- ◦ Comfortable sponge base
